A new home a new name

Thame Football Partnership's (TFP) recent announcement for the new Community Football facility at Church Farm, has created an opportunity for a new name for the site. TFP will be running a competition to come up with a name for the new site. Communications Director Frank Thompson stated, "currently the site is known as Church Farm but we want to involve the community in providing us with a new name for the facility. The competition will run until the end of February with one lucky reader winning either an Xbox360 or a round of golf for four people at The Oxfordshire or Magnolia Park Golf Club. The winner will also be invited to be part of the grand opening of the facility on it's completion in the Autumn. The competition will be free to enter and you can enter as many times as you like.

The winning name will be selected by the TFP Board competition panel in March and the winner announced in the press and on the TFP, Thame United and Thame Boys websites

Entries can be made in a number of ways, by e-mail to admin@thamefootball.co.uk, by simply downloading an entry form from the TFP.Thame United, or Thame Boys websites
