Sponsor a brick campaign

Thame Football Partnership (TFP) are looking for local support for the new site about to commence in Early February. With the main build funds in place the aim is to create additional funding to help the sustainability of the complex, providing a first class community facility for the future. To help achieve this aim TFP will be creating a Wall of Fame around the entrance area where single bricks can be sponsored

Wall of Fame Sponsor

Frank Thompson commented, "We are looking for a local business or company to sponsor the name of this wall at the facility, and their company name or logo will be displayed on a plaque on the wall with their message demonstrating support for the club and the community facility. Then we would look for individuals to buy a brick/s in the wall"

Buy a Brick Sponsor

"What we are looking for is for individuals to buy a brick/s, for this they would get their name on the wall of fame, mounted on a plaque on the brick demonstrating support for the club and the community facility. The cost will be £20 per brick inclusive of the plaque" said Thompson.

We hope that the community supports us as we enter a very crucial but exciting stage of the programme, this community facility has been a long time coming and we want to create an environment for families to be able to come to the venue and relax and enjoy the facilities that will be available. To register your interest or if you require details of any of our other corporate sponsorship deals or opportunities please contact us at admin@thamefootball.co.uk or visit our website at www.thamefootball.co.uk where you can download our corporate brochure

Further information on this sponsorship programme can be obtained by contacting admin@thamefootball.co.uk
